. The petitioner and their advocates are absent. The premises in question were allotted to the father of the respondent no.l (deceased) as staff quarters.It appears that the deceased unauthorizedly inducted petitioner nos l and 2 in the premises who are rank trespassers. The petitioners contend that they had purchased the premises from the deceased. The contention is devoid of any substance. The deceased had right

to occupy the staff quarters only during the service and there is no question of any transfer by the deceased in favour of the third party. The appellate authority has therefore rightly directed eviction of the petitioners from the premises. Petition is dismissed.
